RoHS Certificate of Compliance
23/07/2016

Majenko Technologies is committed to managing the use of chemical substances in accordance with governmental regulations, industry standards, and customer-specific requirements in order to protect the environment. For each part listed, this document provides:

EU RoHS Compliance Status. EU RoHS status is declared per Directive 2011/65/EU and its subsequent amendments. Homogenous materials or parts that are compliant to this legislation have less than 0.1% by weight each of lead, mercury, hexavalent chromium, PBB and PBDE, and 0.01% by weight of cadmium. In situations where an exemption applies, the preceding limits, corresponding to the exempted substance(s), may be higher.

Majenko Technologies' sole liability for incorrectly certifying a product shall be either replacement of the Majenko Technologies product or, alternatively and in the sole discretion of Majenko Technologies, return of the purchase price paid for the relevant Majenko Technologies product.
